On display will be the most complete array of new products and services that Mobile Techs, Detailers, Body & Glass Shops, Restylers, Trim Shops and Appearance Repair & Reconditioning Professionals are looking for to help their businesses grow. With the addition of "Education Day" those looking to our industry for business opportunities or those already in the industry looking to add a new product or service will now be able to educate themselves on which specialty will best serve their needs. Attendees will have an opportunity to meet their suppliers and become better informed about the products they use everyday.
